

The following apps are required for your child's iPad. If you already have these apps, please make sure they are the most up to date version. Thank you.

App Name	Description	Price
	Over one million people have enjoyed Cargo-Bot! The puzzle game that challenges your brain and helps you learn programming concepts. It's a puzzle game where you teach a robot how to move crates.	Free
	Clips is a free app that lets you make fun videos to share with friends and family. With a few taps you can create and send a video message or tell a quick story with artistic filters, animated text, music, emoji and fun stickers featuring characters from Star Wars, Disney•Pixar and more.	Free
	Edmodo makes a teacher's daily life easier by providing a safe and easy way for teachers and students to engage and collaborate for free, anytime, anywhere.	Free
	Educreations is a unique interactive whiteboard and screencasting tool that's simple, powerful, and fun to use. Annotate, animate, and narrate nearly any type of content as you explain any concept. Teachers can create short instructional videos and share them instantly with students, or ask students to show what they know and help friends learn something new.	Free
	Welcome to Epic! - the leading digital library for kids, where kids can explore their interests and learn with instant, unlimited access to 25,000 high-quality ebooks, audiobooks, learning videos, and quizzes for kids 12 and under.	Free
	GarageBand turns your iPad, and iPhone into a collection of Touch Instruments and a full-featured recording studio — so you can make music anywhere you go. And with Live Loops, it makes it easy for anyone to have fun creating music like a DJ. Use Multi-Touch gestures to play keyboards, guitars, and create beats that make you sound like a pro — even if you've never played a note before. Plug in a guitar or bass and play through classic amps and stompbox effects. Use a Touch Instrument, microphone, or a guitar and instantly record a performance with support for up of 32 tracks. Use the new Sound Library to download additional free instruments, loops and sound packs. Audio Unit Extensions in iOS 11 allow you to play, record and mix third-party instruments or effects right into GarageBand. And then share your song with friends and family.	Free <i>(Free for any device purchased after October 2014)</i>
	Learn to code and make your own games with Hopscotch.	Free
	With a streamlined design and intuitive Multi-touch gestures, iMovie lets you enjoy your videos and tell stories like never before. Browse your video library, share favourite moments, create beautiful movies and watch them on all your devices in iMovie Theater. And with the iMovie extension, it's fast and fun to make every video more memorable — directly in the Photos app.	Free <i>(Free for any device purchased after October 2014)</i>

<p>Kahoot!</p> 	<p>Create your own quizzes in seconds, play anywhere, anytime, on your own or with friends, have fun and LEARN! Kahoot! unleashes the magic of learning for students, teachers, office superheroes, trivia fans and lifelong learners.</p>	<p>Free</p>
<p>Keynote</p> 	<p>Keynote is the most powerful presentation app ever designed for a mobile device. Built from the ground up for iPad, iPhone, and iPod touch, it makes creating a world-class presentation — complete with animated charts and transitions — as simple as touching and tapping.</p>	<p>Free <i>(Free for any device purchased after October 2014)</i></p>
<p>Makers Empire 3D</p> 	<p>Learn 3d modelling with Makers Empire 3D - the easiest to use 3d printing and 3d design app for all ages! Build your own 3d models and learn real design thinking concepts, make and play 3d mazes in the Game Zone, do design challenges that teach Design and Technology curriculum, make and level up your own hero and share your designs with our huge community of Makers!</p>	<p>Free</p>
<p>Mathletics Student</p> 	<p>Mathletics has evolved... right into your hands. The multi award-winning e-learning platform is available on iPad and now looks better than ever! Use in the classroom, at home – or anywhere. Use online or offline - Mathletics can now truly be access ANYWHERE!</p> <p>Mathletics is the world's leading educational resource for mathematics, created by the team behind the World Education Games. Over 4 million students in schools across the world are a part of our global learning community.</p>	<p>Free</p>
<p>Numbers</p> 	<p>Numbers is the most innovative spreadsheet app ever designed for a mobile device. Created exclusively for iPad, iPhone, and iPod touch, Numbers includes support for Multi-Touch gestures and Smart Zoom so you can create powerful spreadsheets using just your fingers.</p>	<p>Free</p>
<p>Pages</p> 	<p>Pages is the most beautiful word processor you've ever seen on a mobile device. This powerful word processor helps you create gorgeous reports, resumes, and documents in minutes. Pages has been designed exclusively for the iPad, iPhone, and iPod touch with support for Multi-Touch gestures and Smart Zoom.</p>	<p>Free <i>(Free for any device purchased after October 2014)</i></p>
<p>Paper by WeTransfer</p> 	<p>Paper® is the immersive sketching app for capturing ideas anywhere. Over 25 million people have found their personal creative space in Paper—handwriting notes, drafting, diagramming, sketching, and giving form to their vision.</p>	<p>Free</p>
<p>PicCollage</p> 	<p>Download the best app for editing photos and videos, making free cards, and creating photo collages this winter! Choose from hundreds of photo grid layouts and sizes, exclusive stickers, cute background patterns and textures, and draw on your collages with "Doodle".</p>	<p>Free</p>
<p>Popplet Lite</p> 	<p>Popplet is the simplest tool to capture and organize your ideas. With Popplet you can quick jot down your ideas and sort them visually.</p> <p>Popplet is great for school and for learning in the classroom and at home. Students use Popplet to think and learn visually. By capturing facts, thoughts, and images, students learn to create relationships between them and generate new ideas.</p>	<p>Free</p>

<p>Sphero Edu</p> 	<p>Sphero Edu is your hub to create, contribute, and learn with Sphero robots. Go beyond code by incorporating unique STEAM activities to complete with your bot.</p> <p>Designed for learner progression, Sphero Edu beginners can give robots commands by drawing a path in the app for their robot to follow. Intermediate coders can use Scratch blocks to learn more advanced logic, while pros can use text programming and write their own JavaScript.</p> <p>Sphero Edu is built for makers, learners, educators, and parents. Join the growing community and share your creations to inspire and be inspired. The interactive platform allows you to keep track of your class or group from one easy place. Anyone can save their progress, jump from device to device, and continue the discovery from anywhere. Preparing for the future has never been so fun.</p>	<p>Free</p>
<p>Swift Playgrounds</p> 	<p>Swift Playgrounds is a revolutionary app for iPad that makes it fun to learn and experiment with code. You solve interactive puzzles in the guided "Learn to Code" lessons to master the basics of coding, while additional challenges let you explore code and create programs that are engaging and unique.</p>	<p>Free</p>
<p>Toontastic 3D</p> 	<p>3... 2... 1... ACTION! With Toontastic 3D you can draw, animate, and narrate your own cartoons. It's as easy as play. Just move your characters around on screen, tell your story, and Toontastic records your voice and animations and stores it on your device as a 3D video. Toontastic is a powerful and playful way to create interstellar adventures, breaking news reports, video game designs, family photo albums, and anything else you might imagine!</p>	<p>Free</p>
<p>Tynker</p> 	<p>Tynker is the #1 Kids Coding platform! Over 60 million kids and thousands of schools use Tynker's award-winning curriculum to learn coding.</p> <p>Strengthen your child's educational foundation with step-by-step tutorials that teach kids coding in a way they enjoy. Your child will learn as they build games and apps, modify Minecraft, program drones, and even explore STEM.</p>	<p>Free</p>
